# L'Emporium du Vin

I'm delighted to be able to work in partnership with L'Emporium du Vin, which is the family run business of Alex and Mel Ignatief. Alex was wine buyer for Harvey Nichols for 12 years from when they first ventured into Foodmarkets and Restaurants. Having spent almost 30 years buying and selling wine all over the world, Alex and Mel have developed an impressive network of connections. They have access to pretty much any wine you might be searching for and most importantly wines are only bought from vineyards or from sources that can guarantee impeccable provenance. This is a small selection of the better known wines that we have available. A full list is available on request.
